SUMMARY

Motivated and enthusiastic Information Technology undergraduate at the Open University of Sri Lanka (OUSL) with a strong interest in software development, database management, and web technologies. Possess foundational knowledge in Java, MySQL, HTML, and software engineering concepts. Demonstrated ability to learn new technologies quickly, work effectively in teams, and solve problems through academic and collaborative projects. Seeking opportunities to gain practical industry experience and contribute to innovative IT solutions.

EDUCATION

The Open University of Sri Lanka (UGC Recognized)

Bachelor of Science (BSc) in Information Technology,

2025 – Present

Relevant Modules:; Computer Networks, Systems Analysis & Design, Database Management Systems, Software Engineering, Data Structures & Algorithms

PROJECTS

Pharmacy Inventory System | Duration: April 2026 – May 2026; Project Type: Group Project; Role: Team Leader. To develop a desktop-based inventory management system that helps pharmacies efficiently manage medicines, suppliers, stock levels, sales records, and user accounts while reducing manual record-keeping errors. The Pharmacy Inventory System is a Java-based desktop application designed to streamline pharmacy operations through an integrated inventory management platform. The system enables users to manage medicine records, supplier information, stock availability, billing activities, and user access within a centralized database environment. The application provides an intuitive interface and supports efficient data management through CRUD operations and database integration.

- Tech Stack Used: Java, Java Swing, MySQL, JDBC, Git & GitHub
- Led the project team and coordinated development activities.
- Designed and implemented core system functionalities.
- Integrated MySQL database using JDBC.
- Developed user-friendly interfaces using Java Swing.
- Tested and validated system operations to ensure accuracy and reliability.
- LinkedIn Project Showcase: [linkedin.com/posts/fathima-jamsath-7280a3397_javadeveloper-javaswing-mysql-activity-7463594799342718976-YwFl](https://www.linkedin.com/posts/fathima-jamsath-7280a3397_javadeveloper-javaswing-mysql-activity-7463594799342718976-YwFl)

TECHNICAL SKILLS

Java

SQL

MySQL

JDBC

HTML

Git & GitHub

IntelliJ IDEA

Visual Studio Code

XAMPP

LANGUAGES

Tamil – Native

English – Fluent

Sinhala – Basic

LEADERSHIP & ACTIVITIES

School Prefect Team Leader – Pharmacy Inventory System Development Project Active participant in academic software development and information technology projects
